this work is a summary and analysis of abraham lincoln s religion this study begins with a description of the earliest relations mr lincoln had with religion his parents dedication to a sect known as the separate baptists by late adolescence lincoln began to reject his parents faith and he appears to have been a religious skeptic until his marriage to mary todd after his marriage he attended protestant services with his wife and family but there was little evidence that he was deeply religious in that time lincoln knew the scriptures quite well but it was not until the death of his two sons eddie in 1850 and willie in 1862 that as the sixteenth president put it he became more intensely concerned with god s plan for human kind

excerpt from abraham lincoln as a man among men if i should carve a lincoln i would take no snow white marble but a rugged rock one that the frosts of winter could not break that had withstood the ocean s thundering shock some solid rock amid the shifting sands unmoved by storm unaltered by the wave some granite giant that forever stands to mark the harbor with a light to save if i should carve a lincoln i would shape some promontory lifting from the sea standing as lincoln stood a mighty cape thrust forward into time a century looking as lincoln looked beyond the shore across the ocean of the future years a rock to stand for men forevermore and point the way to other pioneers if i should carve a lincoln i would form a figure from a rock that loved the sun a rock that glistened after every storm and smiled with verdure when the rain was done a rock where little children came to play and violets to blossom on the slope that found like lincoln humor in each day in words of humor finding words of hope if you would carve a lincoln such a stone you will require 0 sculptor for your art some stone gigantic standing thus alone high as his mind and broad as lincoln s heart we may not hope to shape with human hands a fit memorial for such as he leave time to carve it from some rock that stands some new gibraltar by our western sea about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in

an original insightful examination of how abraham lincoln learned to lead and made an extraordinary political comeback the wall street journal in 1849 when abraham lincoln returned to springfield illinois after two seemingly uninspiring years in the u s house of representatives his political career appeared all but finished his sense of failure was so great that friends worried about his sanity yet within a decade lincoln would reenter politics become a leader of the republican party win the 1860 presidential election and keep america together during its most perilous period what accounted for the turnaround as michael j gerhardt reveals lincoln s reemergence followed the same path he had taken before in which he read voraciously and learned from the successes failures oratory and political maneuvering of a surprisingly

diverse handful of men some of whom he had never met but others of whom he knew intimately henry clay andrew jackson zachary taylor john todd stuart and orville browning from their experiences and his own lincoln learned valuable lessons on leadership mastering party politics campaigning conventions understanding and using executive power managing a cabinet speechwriting and oratory and what would become his most enduring legacy developing policies and rhetoric to match a constitutional vision that spoke to the monumental challenges of his time without these mentors abraham lincoln would likely have remained a small town lawyer and without lincoln the united states as we know it may not have survived this book tells the unique story of how lincoln emerged from obscurity and learned how to lead abraham lincoln had less schooling than all but a couple of other presidents and more wisdom than every one of them gerhardt explains how this came to be the wall street journal gerhardt has devised an ingenious solution for demystifying america s most enigmatic president these pages trace how a poor backwoods farm boy rose to become among the most eloquent defenders of america s highest ideals as well as a steely and tenacious source of unity when the nation needed it most russell l riley co chair presidential oral history program at the university of virginia s miller center
