telling in henry james argues that james s contribution to narrative and narrative theories is a lifelong exploration of how to tell but not as douglas has it in the turn of the screw in any literal vulgar way james s fiction offers multiple and often contradictory reading in directions zwinger s overarching contention is that the telling detail is that which cannot be accounted for with any single critical or theoretical lens that reading james is in some real sense a

reading of the disquietingly inassimilable fictional machinery the analyses offered by each of the six chapters are grounded in close reading and focused on oddments textual equivalents to the particles james describes as caught in a silken spider web in a famous analogy used in the art of fiction to describe the kind of consciousness james wants his fiction to present to the reader telling in henry james attends to the sheer fun of james s wit and verbal dexterity to the cognitive tune up offered by the complexities and nuances of his precise and rhythmic syntax and to the complex and contradictory contrapuntal impact of the language on the page tongue and ear

marxism and phenomenology the dialectical horizons of critique edited by bryan smyth and richard westerman offers new perspectives on the possibility of a philosophical outlook that combines marxism and phenomenology in the critique of capitalism although marxism s focus on impersonal social structures and phenomenology s concern with lived experience can make these traditions appear conceptually incompatible the potential critical force of a theoretical reconciliation inspired several attempts in the twentieth century to articulate a phenomenological marxism updating and extending this approach the contributors to this volume identify and develop new and previously overlooked connections between the traditions offering new perspectives on marx husserl and heidegger exploring themes such as alienation reification and ecology and examining the intersection of marxism and phenomenology in figures such as michel henry walter benjamin and frantz fanon these glimpses of a productive reconciliation of the respective strengths of phenomenology and marxism offer promising possibilities for illuminating and resolving the increasingly intense social crises of capitalism in the twenty first century
